What to expect from the EU Covenant of Mayors in 2026 ?

FOCUS ON CITIZEN AND COMMUNITY ENERGY

This year, we will connect local authorities with the **tools**, **resources**, and **knowledge** they need to turn ideas into action on this topic

UPCOMING OPPORTUNITIES UNDER THE EU CITIES AGENDA

Beginning of 2026: **fourth call for EUI Innovative Actions** for 30 smaller-scale pilot projects

End of 2026: launch of a **dedicated EUI Cities Helpdesk** to help identify support tools and funding opportunities

MAINTAINING COVENANT COMMUNITY ENGAGEMENT

Improving the **MyCovenant reporting platform** for simplicity and usability

Launching a **peer-learning programme for Coordinators and Supporters** to help municipalities tackle **extreme heat**

KEY EU POLICIES

2026 will be a **pivotal year for EU climate and energy policy**

The **CoM-Munity** can contribute to the consultations for:

- The Governance Regulation
- The Integrated Framework for Climate Resilience

KEY EVENTS NOT TO MISS

EU Covenant of Mayors Ceremony scheduled for the autumn

As well as:

- The **EPAH Conference**;
- The **EUSEW 2026**;
- The **NEB festival**; and
- **European Urban Resilience Forum**
